

Rules

On October 26th, 2024, starting at 7 PM, 30 (thirty) tickets will be electronically drawn. Members whose names are drawn will be announced and they must report to the stage in the allotted time with a valid picture ID and Coeur Rewards card to qualify. A replacement winner will be drawn if the member fails to report within the allotted time. Members may only qualify once in each drawing session.

In the order qualified, contestants will select a stake game piece from the game board. Once selected, the stake game piece will be removed from the promotions table. Once a stake game piece is touched, it is considered selected and may not be returned to the table nor exchanged for another stake game piece.

The number of vampire bats on the stake game piece will determine the prize amount, as designated in the prize key. Each of the "vampire bats" will be illustrated on the stake game piece.
