Eligibility

All Coeur Rewards members who have earned at least 250 points on video gaming machine play from 12:00 AM on February 1st, 2026, to 7:00 PM on the drawing date are eligible.

The two (2) Coeur Rewards members with the top (base) point earnings from 12:00 AM on February 1st through 11:59 PM on February 27th, 2026, are automatically prequalified for the drawing. Must be present to win; if not present, a replacement will be drawn. The two prequalified contestants will be notified by noon (12:00 PM) on the drawing date via a text message or call to their phone number on file. Prequalified contestants must check in at the promotion table prior to the drawing start time to qualify for the drawing. It is the responsibility of the Coeur Rewards member to ensure their contact information on file is up to date.

All Coeur Rewards members who use their Coeur Rewards points to purchase tickets at a cost of 250 points per ticket are eligible. Points are not deducted from the player's Coeur Rewards point balance for accrued ticket entries. Tickets purchased from point balances are deducted from the player's Coeur Rewards point balance and will not be reimbursed once the ticket purchase is completed through the kiosk.

Activate entries on the drawing date by visiting any kiosk, or play with your Coeur Rewards card inserted at any video gaming machine prior to the drawing time. Must activate entries or be actively playing within three hours of the drawing time to qualify.

Rules

On February 28th, 2026, at 7:00 PM, twenty-six (26) tickets will be electronically drawn. Two (2) Coeur Rewards members will have prequalified into the drawing by earning the top (base) points from February 1st to February 27th, 2026 (see eligibility rules). The members whose names are drawn will be announced, and they must report to the promotion table within the allotted time with a valid picture ID and Coeur Rewards card to qualify. Coeur Rewards members may only qualify once in the giveaway. A replacement winner will be drawn if the member fails to report within the allotted time.

In the order qualified, contestants will select an envelope from the promotion table. Once selected, the envelope will be removed from the promotion table. Once an envelope is touched, it is considered selected and may not be returned to the table nor exchanged. The envelope will be opened by the contestant to reveal a number. The number will coordinate with a number inside of a prize envelope. The promotion coordinator will open the prize envelopes in the order of smallest to largest prizes. When your number matches the number the promotion coordinator reveals, that is the placement you have won.
